

Be your BEST this summer.

The BEST Summer Program prepares talented and underrepresented minority high school students for a career in healthcare with education, training and experience that's both **fun** and **free**.

**DON'T MISS YOUR CHANCE
TO APPLY TODAY**

Why Apply to the BEST Summer Program?

- BEST students experience life on a premier college campus, connecting with peers through collaborative projects and team building.
- BEST students explore health care through customized hands-on learning with leading health care providers.
- BEST students earn a stipend upon successful program completion to reduce financial burden associated with higher education.
- BEST students experience personal growth through a focus on professional development and college readiness training.
- BEST students connect with potential employers across diverse health care settings.
- BEST results speak volumes: 100% college acceptance rate, 87% pursuing healthcare degrees, 39% pursuing pharmacy degrees, and over 15 years of running successful programs.
