

Summer Program - 2026

BEST HEALTHCARE INSTITUTE

The BEST Healthcare Institute prepares high school students for a rewarding career in healthcare with education, training and experience from leading local healthcare institutions.

To learn more about and apply to the free BEST summer program, please visit us online at BESTHealthcareInstitute.org.

HAVE FUN • EXPLORE REWARDING CAREERS • MAKE CONNECTIONS • HANDS-ON LEARNING

Get ahead with the BEST Healthcare Institute:

- BEST students experience life on a premier college campus, connecting with peers through collaborative projects and team building.
- BEST students explore health care through customized hands-on learning with leading health care providers.
- BEST students earn a stipend upon successful program completion to reduce financial burden associated with higher education.
- BEST students experience personal growth through a focus on professional development and college readiness training.
- BEST students connect with potential employers across diverse health care settings.
- BEST results speak volumes: 100% college acceptance rate, 87% pursuing healthcare degrees, over 18 years of running successful programs, and over 50+ schools with students participating annually — educated, trained and prepared for future careers in healthcare.

Apply Online: BESTHealthcareInstitute.org
